

## **National War Dogs Monument, Inc. Association**

### **Associate Application**

**Background:** The National War Dogs Monument, Inc. Association has been created as a subordinate element of the National War Dogs, Inc. [NWDM]. As we continue to progress on Capitol Hill with legislation and finding a proper site for the monument in the Washington, D.C. area, we continue to receive overwhelming support from the American public via e-mails, phone calls and donations. The Board of Directors of the NWDM felt that there should be a mechanism to be able to contact all of those who were interested in the project and a way to be able to make them a part of the project. Establishing the NWDM Association was a perfect way to make that happen.

**Mission Statement:** To establish a fellowship of military and law enforcement K9 handlers, Veterinary professionals, K9 Search and Rescue, K9 Service and support providers, Students, Dog lovers, Educators and historians who have a common interest in the legacy of our nation's military working Dog heroes.
